We recognize everyone's contribution to our success - our staff, our clients, our candidates, our investors and environment.

LEADERSHIP TEAM

Mr. Bach Raj Lohia: Founder & Chairman

A dynamic entrepreneur with an enchanting personality whose vision and creative imagination translated Eagle Hunter to become the largest transnational Indian company in the field of security services industry across the continents. Mr. B.R Lohia is the recipient of Udyog Gaurav Award for the year 1995 given by All India organizational Entrepreneurial confederation in recognition of his outstanding services to security/ manpower, method management and excellence in the chosen field of activity. His business interests are spread across a variety of activities, including but not limited to security, facility management, waste management, education, hospitality and real estate. It was under his far-sighted guidance and leadership the company witnessed a phenomenal and steady growth. Mr. Lohia has been a social activist and has been involved in CSR/ and skill development programs across India, where we train people from being unskilled and upgrade their skills and give them opportunity to work in reputed companies, his works all along and has been contributing towards the betterment of society in his own ways for the past many years. Union handling and government liasoning in central and state governments is another positive attribute of Mr. B.R. Lohia, because of his ground connections and his grass root working experience

Col. Bharat Prakash Puri: Director EMIRATUS

Col. BP Puri, a retired infantry officer from the Indian armed forces, served for 21 years and participated in the Indo-Pak wars of 1965 and 1971. Joining Eagle Hunter Solutions Limited in 1988, he has brought his expertise, creative foresight, and extensive experience in the security industry. His vision and wisdom have been a guiding light for the Company, especially in times of crisis.

Maj Gen Balraj Mehta: Vice Chairman EHSL

Maj Gen Balraj Mehta, Sena Medal, is a respected army veteran with 35 years of service, from 1983 to 2018. He served as a Special Forces and Infantry Officer, gaining extensive experience in operational, administrative, logistical, and instructional roles. He has attended prestigious army courses, including the Defence Services Staff College and Higher Air Command. Throughout his career, he received numerous honours, including five commendations from the Chief of the Army Staff, four commendations from the Army Commander, and the Sena Medal for Distinguished Service in 2013. Since retiring in September 2018, the General Officer has gained considerable corporate experience. He is a passionate golfer, an avid reader, and enjoys coaching and guiding young people to help them find their path in life.

Ajay Lohia: Joint Managing Director EHSL

MBA finance from Wales, UK; Ajay Lohia is in command since 2010 and has been successfully running the facility management wing at Eagle Hunter Facility Management services (EH-FMS) for many years. In 2016 he joined as the CEO at EHSL, since then the Company has witnessed an impressive growth across all verticals. His vision, fresh & innovative approach and strong business ethics have by far carved his success story. His visionary leadership, innovative approach, and strong business ethics have significantly contributed to his success.

Abhay Kumar Singh: Director - International Business

Abhay Kumar Singh is a well-known international professional with over 18 years of broad experience in strategy, sales and marketing, operations, merchandising, team management, P&L management, buying, and stakeholder relations. His expertise covers several industries, including retail, supply chain management, fintech, construction, project management, security, training, and recruitment. He has worked in both public sector organizations (like WAPCOS and NSDC) and private companies (such as Chalhoub, Apparel Group, and Spendwisor). Currently, he is the Director of international placement at Eagle Hunter, managing the international business for the group companies. With a BTech from NIT Trichy and an MBA from Singapore/ Dubai, he is a successful professional known for his attention to detail and ability to achieve goals with limited resources.

OUR PHILOSOPHY

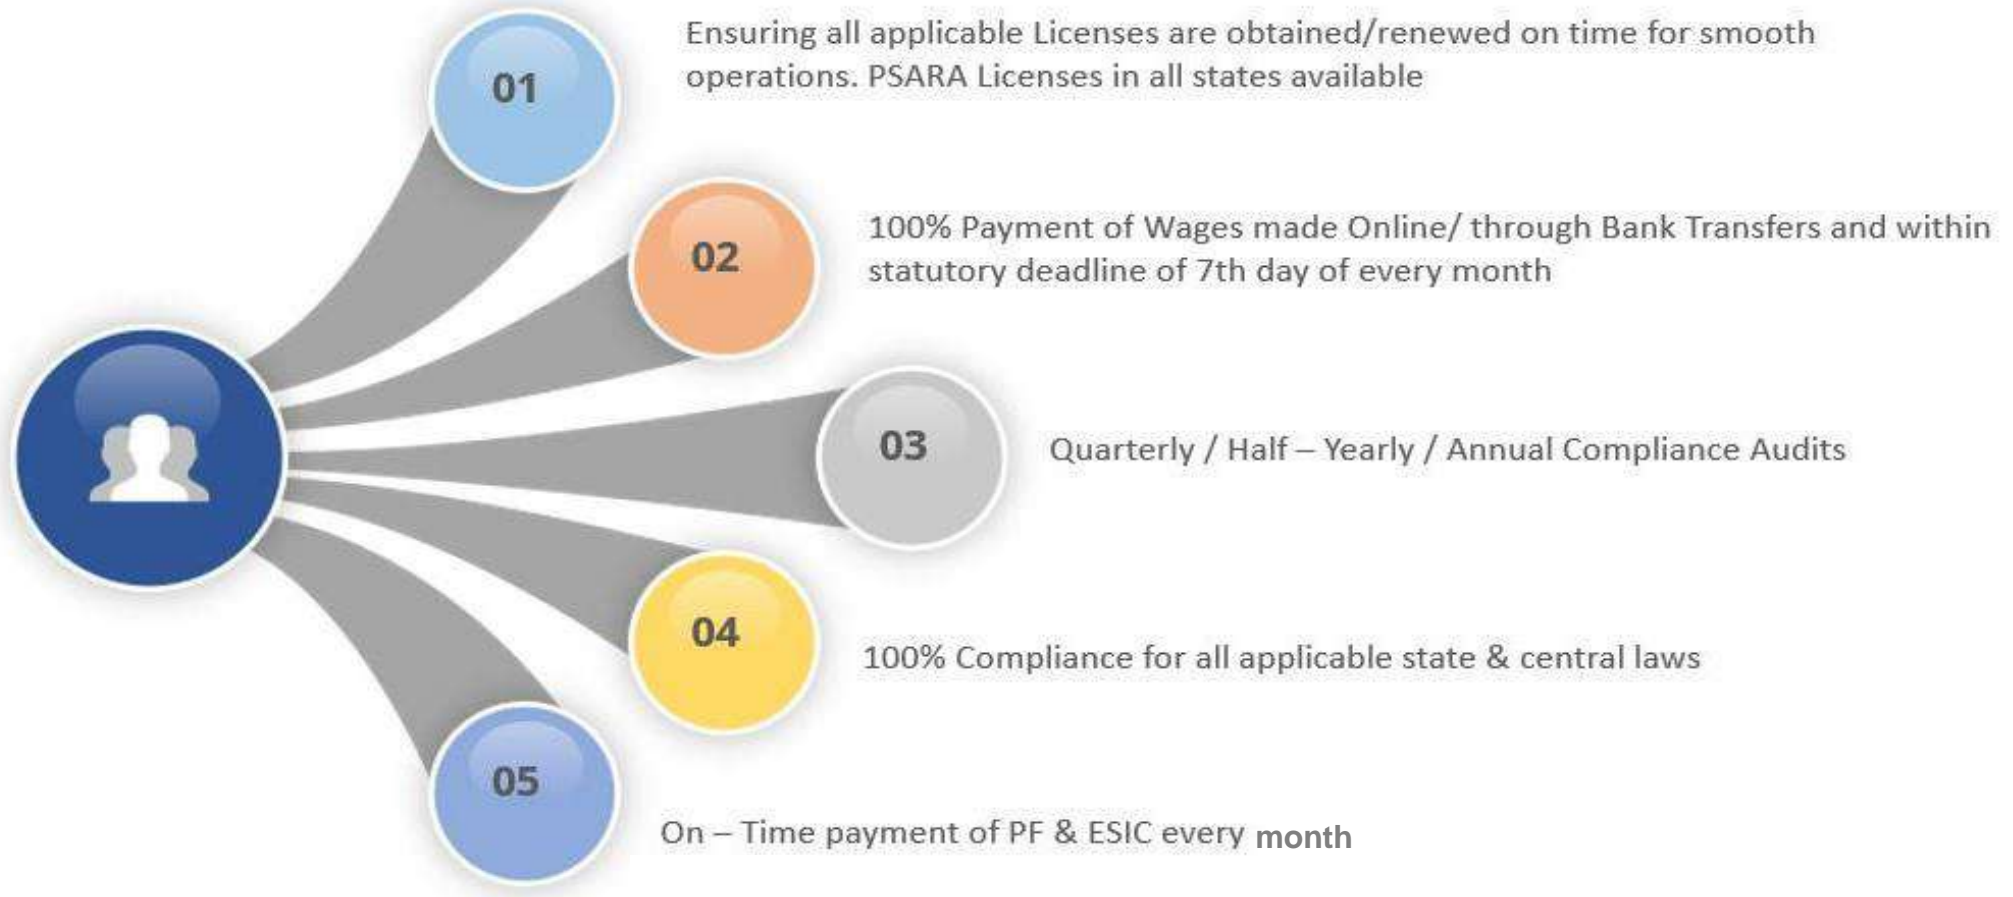

OVERVIEW OF TECHNOLOGY

- The web module will enable client to check online site reports & night checker reports
- Starting from a single page, you get details of the reporting guards in shifts
- Deployment details
- Post wise details
- Rotation of Guards
- Visit dates of the unit officer & its purpose
- Incidents reported to the visiting officer
- Query resolution by EAGLE HUNTERS
- Other details to be maintained for the records

- Get real-time visibility on the progress
- Scale up faster with automated background checks
- Increase productivity and build a better candidate experience
- Get customizable workflows, integrable with any HRMS or onboarding tool
- Built-in regulatory compliance and data privacy safeguards
- Portal - Checkr

COMPLIANCE

- Company certified with (System and Organization Controls) SOC 2 Type II, ISO 27701, and ISO 27001
- 1000+ RA License from MEA, GoI
- Empanelled with MEA, NSDC and other government agencies (Like SSDC, SSC, IISC etc.)
- PSARA Licenses in all states

OUR STRENGTH

Leadership team: Management led by the Founder Chairman, includes veterans from Armed Forces, Police, Intelligence, International professionals, Industry leaders, highly educated and ethical professions, and Advisors / Consultants.

Our Training Centers: We count ourselves as unique in many ways but one of our major strengths is our Training Centres spread across India, 15 + Training Centres develop huge database of available candidates. Beyond skilling, we help skill centers, large contractors and direct employers with sourcing and onboarding of candidates. We have the largest network of organized mobilisers across UP, Bihar, Orissa, Jharkhand, Karnataka, Rajasthan, North East, Tamilnadu, West Bengal and many more.

PSARA Licenses: Eagle Hunter has PSARA Licenses of multiple states with immense reach and huge client base

Tech Platform: Tech based aggregation platform can be adapted to any industry and generate bulk recruitment. Capability to make online courses for remote learning and training modules, as per clients need

Integrity: Eagle Hunter is a reputed brand with long term client base assuring highest level of integrity and confidence with best services. Structured within the Corporate Organization for systematic operations, risk mitigation and issues resolution.

Database: Our India wide reach ensures huge database of work force available for employment globally within all sectors

Recruitment Strategy: As a local independent recruitment agency, we can offer a flexible response to differing challenges – strategic decisions can be made on the spot. Company associates hand-picked for optimization and stringent standards.

Service Level Agreements (SLAs): We are happy to work with clients' individual SLAs or, alternatively, a negotiated SLA to cover critical aspects of service expectations including timings for permanent and temporary response to vacancies.

Eagle Hunter International: Aims to deliver quality temporary and permanent staff recruitment services with active database of high caliber, experienced individuals who are fully interviewed at registration.

Network: We have a very strong network of people and partners across the globe from various background to supply the candidates in no time. A well trained and very ethical and does the background verification before producing the candidates for the selection process.

Language training: A great team structure for language training and certifications for English, Japanese and German language.

Trade Test and Certifications: A great number of partners are associated with us with state of the art trade test center and certification

PHILOSOPHY & SOURCING

With a huge database of over 3,00,000 candidates, Eagle Hunter Manpower Services ensures the best candidates are short-listed based on the prior evaluation by our team of industry experts. This evaluation method often consists of preliminary rounds of interviews based on job requirements, each of which could be technical or non-technical.

We at Eagle Hunter Manpower Solutions, strive to achieve and maintain high standards of services across all its processes and procedures and look forward to having the highest rate of client satisfaction. We emphasize the importance of **"integrating people, place, finance and process"** the four key components of manpower services. By bringing these three elements together, we can create a work environment that is conducive to increased productivity and improved quality of life for employees. We follow ISO: 9001 benchmark practices & procedures and adopt an extremely tailored approach in finding you the perfect candidate for your organization.

Focus: People, processes, budget & finance, recruitment, skill development & training, client's unique requirement, timely delivery and technology.
